Cincinnati Juneteenth Festival

Juneteenth Cincinnati, Inc. is incorporated in Ohio as a non-profit corporation. It does not have 501(c)(3), but can receive tax-free deductible donations via its affiliate, Kennedy Heights Community Council, Inc.

The organization is 100% volunteer--no paid staff, no consultants, no independent contractors. We rely on grants, donations, and event fees to fund the Festival, which we produce with a break-even (we hope) budget.

Without the corporations, foundations, and individuals recognized here, the Festival would not be possible. Many have "hotlinks" so you can learn more about them on the web.
