Food Vendor Information

Festival Hours: 12 noon until 9:00 p.m.

Booth Fee: \$300 due with application

10' x 20' tented booth; 2 tables; four chairs

You may bring your own booth or trailer, but must still pay the vending space fee

Electricity: We expect to have a single, large generator to service all food vendors. However, for this to work, we **MUST** know your needs in advance. This is especially important for deep fryers and other heavy duty equipment. Make sure you complete this information on the application form.

Ice: We will provide you 50 lb. bags of ice at our cost.

Health & Fire Permit: All food vendors must obtain permits required by the City of Cincinnati no later than mid-May. Call Cincinnati Health Dept. 513-564-1751. No food may be sold without a permit.

Booth Assignment: When you arrive at the park, your booth will be labeled. The Vendor Coordinator will have a map identifying your booth as well. All food vendors will be located in a single area.

Duplication Minimized: We will limit applications to minimize duplication and increase variety for patrons and minimize direct competition for vendors. Applications are accepted on first-come basis. We will notify you if denied and return your fee.

Specified Items: Vendors may sell only the kinds of items listed on their applications, so please be specific.

Juneteenth Cincinnati is the only vendor authorized to sell soft drinks & water, hot dogs, metts, & brats. These sales help cover Festival expenses.

Setup: June 17, 8:00 a.m.--11:130 a.m. The police will close the area to vehicles at 11:30, and vehicles must be moved to designated parking areas.

Breakdown: Vendors will be allowed to move vehicles into the vending area after 8:30 p.m. to break down.

Health & Fire Permits & Inspections

Health and Fire inspectors will be at the Festival. They are serious about their work and will not allow you to start selling food unless you have a permit AND your booth has passed inspection.

You should, therefore, pay very close attention to the requirements for such things as a fan, meat thermometer, water containers, etc. These are all itemized on the checklist provided by the Health Department.
