Click this for a [flyer for Juneteenth](#) and make sure this with your friends & pass the word .

- Vendor set-up begins at 8:30 a.m.
- **GPS link** click [HERE](#) for driving directions to Eden Park. This takes you pass “Tom Jones Commons,” which is the lot right below Mirror Lake on Martin Dr. Immediately after the Commons, turn right on Parkside and then immediately turn right again on the access road up to Mirror Lake.
- All vehicles must be off the grass in the festival area by 11:00 a.m.
- You can click [HERE](#) to see the diagram from the Juneteenth website on Vendor page of how the booths and tents will be arranged. **This is not precise. It shows in a general way where booths will be installed.** Ignore the numbers on the diagram.
- We will notify you of your booth location in the week before the Festival.
- When you arrive at the Festival, the Vendor coordinator, Harold Jones, will help you locate your booth and deal with issues.
- We will have volunteers who can help with set up.
- After you are set up, you **must** move your vehicle from area of the Festival to an official parking area.
- There is parking at the foot of the access drive on Martin, along Gilbert, and along other streets, in “Tom Jones Common , across the street from Seasongood, on the Dr above Seasongood and below the Playhouse.
- Music will end of Mirror Lake Stage at 8:00Pm and on Seasongood stage around 9:00pm
- You cannot bring your vehicles into the festival area around Mirror before people have left the area. There will be someone there to help you get your things to your car. Be careful do not bring vehicles into the Mirror Lake area while there are still people walking around.
- The Festival ends around 9:00 pm, after the last performance (**LAKESIDE**) at Seasongood
